

Saturday April 4th,  
10:00 am and 4:00pm  
in the  
Rusk County Community Library  
Lower Level

The movie,

# King Corn,

will be playing.

Wisconsin popcorn, apple cider and admission  
will be free for all.

Seed Saving and local food networks will be  
discussed.

If all goes well we'll have a great open discussion  
afterward regarding issues of sustainability in our  
community.
